ORDER GRANTING CONTINUANCE
AND AMENDING SCHEDULING ORDER

The matters before the court are Defendants Unopposed Motions for Continuance filed *dkt# 474, 483 & 484* after reviewing the motions and there being no order severing defendants in this cause of action, it is the opinion of the Court that the motions should be granted and that the trial in this case should be and is continued as to all defendants.

The Court further finds that the period between *Tuesday, April 11, 2023* and *Monday, June 12, 2023*, is a reasonable period of necessary delay to allow

counsel time for preparation for trial and further finds that such period shall be excluded from the time within which the defendant must be brought to trial and that the ends of justice served by taking such action outweighs the best interest of the public and the defendant in a speedy trial under the Speedy Trial Act pursuant to Title 18, United States Code, Section 3161(h)(7)(A).

This case shall proceed on the following amended schedules:

Pursuant to Federal Rules of Criminal Procedure 11(c) and the holding of the Fifth Circuit Court of Appeals in United States of America v. Ellis, 547 F.2d 863 (5th Cir. 1977), the ***deadline*** for notifying the Court of any ***plea bargain*** or ***plea agreement*** entered into by the parties in this cause is *Thursday, June 01, 2023*. The Court will not accept a plea agreement after the aforementioned deadline. Should a plea agreement be reached and filed in this case and absent written objection filed contemporaneously therewith, this case will be referred to a United States Magistrate Judge for the purpose of administering the plea of guilty and the Fed. R. Crim. P. 11 allocution, subject to final approval and the imposition of sentence by the United States District Court.

PRETRIAL MATTERS

To the extent that counsel intend to raise objections concerning the admissibility of exhibits, such objections must be made at the pretrial conference or at least three (3) business days before trial by notifying the Court in writing of the evidentiary disputes with copies of the disputed exhibit and authority attached to the written objection. Counsel should also advise the Court of any anticipated objections to witness testimony at the pretrial conference or at least three (3) business days prior to trial.

IT IS FURTHER ORDERED that the Clerk of the Court shall send a copy of this order to counsel for the defendant, the United States Attorney, the United States Pretrial Services and the United States Probation Office. ***Counsel for the defendant shall also notify the defendant of this schedule*** and advise the defendant that he must be present for all court proceedings unless excused by the Court.
